

# Lorain County Safe Harbor

a collaborative community effort to provide a responsive system of care for victims while also raising awareness about domestic violence

## Transitions & Aftercare

Our Transitions & Aftercare program is designed to provide continued support for children and families as they move forward from crisis situations. We understand that healing doesn't stop once immediate safety is secured, which is why we offer ongoing services to promote emotional well-being, resilience, and long-term stability.

## Transitions & Aftercare

Our Transitions & Aftercare program is designed to provide continued support for children and families as they move forward from crisis situations. We understand that healing doesn't stop once immediate safety is secured, which is why we offer ongoing services to promote emotional well-being, resilience, and long-term stability.

### What We Offer:

- **Counseling & Emotional Support:** Licensed professionals and trained advocates help children process their experiences in a safe, nurturing environment.
- **Structured Activities:** Engaging programs that foster self-expression, confidence, and a sense of normalcy.
- **Life Skills Development:** Age-appropriate education on healthy relationships, emotional regulation, and coping strategies.
- **Family Support Services:** Guidance for parents and caregivers to strengthen family bonds and create a stable, supportive home environment.
- **Community Connections:** Assistance with referrals to educational, therapeutic, and social services to ensure continued progress.

### Who Can Participate?

Children and families who have experienced domestic violence and are transitioning out of emergency shelter or crisis situations are eligible for aftercare services.

### How to Get Involved:

For more information or to enroll in our Transitions & Aftercare program, please contact us. Our team is here to support you every step of the way toward healing and a brighter future.

### You Are Not Alone.

With continued care and support, children and families can rebuild their lives with hope, strength, and resilience.
